

IUPUI SENIOR ACADEMY

Dear IUPUI Senior Academy Members:

These are unprecedented and uncertain times for all members of the IUPUI campus community. All of us are trying to find ways to adjust to the many and varied challenges. For some of our students the difficulties are especially unsettling. The university, in concert with all of its campuses, is organizing some relief for their financial hardships through a special fund that supports students in economic crisis.

In the wake of the global coronavirus pandemic, many IUPUI students have encountered sudden financial distress—from food insecurity to unexpected medical bills to needs for housing and technology assistance. In moments like this, gifts to the IUPUI Student Emergency Funds can be truly life-changing.

If you can, you may want to contribute to the Fund. You can use your credit card by following the steps on the website [Help IU students in crisis](#). It allows you to specify IUPUI, then determine the amount, and complete the transaction by providing your credit card info.

Another way to donate is by check made out to the IU Foundation. On the check you should note that it is to the IUPUI Student Emergency Fund, account # 0320013808, and you should send it to the IU Foundation, Attn. Carrie Flatt, PO Box 6460, Bloomington, IN 46206-6460.
