President's Report

It has been my privilege to serve as the President of the Senior Academy for the year of July 1, 2017-June 30, 2018.

The activities of the Academy Board have been numerous through the leadership of its officers and standing committees. During the course of the year, the various committees of the SA have contributed to Spirit and Place, numerous trips to historical sites, sponsored the Last lecture with the IUPUI Office of Academic Affairs and the IU Foundation, established a SA newsletter, sponsored student attendance at the Martin Luther King dinner, sponsored three substantial student scholarships, and established a University Relations committee that contributes to and supports the goals and aspirations of IUPUI. Rather than enumerate the details, I will let the individual committee reports speak to these activities. I believe we have made great progress as a group that will continue into the coming years with new leadership and fresh Board members.

I thank all of you for this enjoyable and enlightening experience.

Finance Committee Report

The Senior Academy (SA) Finance Committee is composed of the Treasurer (chair), the President, the Vice-President, and the Secretary. The Treasurer, on behalf of this committee, presented a preliminary SA 2018-2019 budget to the board at the May 2018 board meeting. This budget 1) displays the full financial picture of the Senior Academy with all income/expense sources identified, and 2) provides guidance for officers and committee chairs in planning and implementing projects and events.

The 2018-2019 SA annual budget is approximately $28,000. The largest SA budgeted expense (nearly 40% of the budget) is $11,000 for scholarships. Approximately $10,000 for staff and administrative expense is funded by the IUPUI Executive Vice Chancellor’s office. Budgeted scholarship awards have been reduced from $22,000 in the prior year, reflecting fund balances that will be available in the SA IU Foundation scholarship accounts. This 2018-19 budget will be presented to the board for final approval in July 2018.

Quarterly financial statements are prepared for the board. As of March 31, 2018, Senior Academy fund balances were as follows:

**IU FOUNDATION ACCOUNTS**
SA Scholarship Returning Students $74,574.38
SA Scholarship IPS Students $62,445.52
SA Scholarship General Fund $51,749.95
SA General Endowment Fund $15,521.17

**INDIANA MEMBERS CREDIT UNION**
Checking Account $1696.83
Savings Account $2504.82

The Senior Academy remains financially stable and solvent.

Also several of us contribute to our FaceBook page, including Patti. In the next year we should do more to encourage people to utilize the FB page.

We have sent out info on events as needed using our e-mail list which goes to over 890 IUPUI retirees. Again, we thank Patti for her help getting the word out about our events.

Thanks also to President David Stocum and other members of the board who have visited university forums to talk about the Senior Academy.

Mission: The IUPUI Senior Academy established the Gerald L. Bepko IUPUI/Community Medallion to be awarded to individuals either from the community or from IUPUI who have demonstrated commitment to strengthening the bonds and mutually advantageous relationship between IUPUI and its community. The awardee should best exemplify the spirit and actions of former IUPUI Chancellor Bepko in bringing to the campus attributes that continue to make IUPUI a vital element in the community.

Two processes comprised the primary work of the 2017-2018 committee:

1. Composed the first set of procedures to guide the nomination and selection process. These procedures were approved by the Senior Academy Board. These procedures will be implemented beginning August 2018.

2. Developed an evaluation tool to evaluate nominations.

Last Lecture Committee

The 9th Last Lecture in the series was delivered on August 25, 2017, by Professor of History Emeritus Miriam Z. Langsam, one of the founding faculty members of IUPUI. The title of her presentation was “From Brooklyn to Retirement: What I Learned on the Way”. The lecture was well attended and the audience was treated to a delightful, profound, and humorous series of stories and insights into what it was like to become a beloved administrator and champion for the students of the university.

The next Last Lecture is scheduled for October 5, 2018. The SA Board made the decision to ask former Chancellor Gerald Bepko to deliver the lecture as a highlight of the 50th Anniversary of IUPUI. The Board also approved moving the lecture to a fall date in order to give the person selected to give the lecture the whole summer to prepare it.

Guidelines for selecting the Last Lecturer were reconstructed from notes of previous years and printed for all Board members.

Membership Committee Report

The IUPUI Senior Academy Membership Committee focused on informing eligible IUPUI retirees of the benefits of belonging to the Senior Academy with a focus on activities available to members and the success of the scholarship program for IUPUI students.

The 2017-2018 year ends with membership of 218 Lifetime members, 34 people who paid yearly dues. 126 new retirees, and 36 continuing members. Our communication via a Listserv goes to over 890 people.

At the April meeting, the board unanimously approved revisions to the bylaws related to membership. Board member Mervyn Cohen reviewed several years’ worth of board of director meeting minutes to determine what bylaws amendments had been approved by previous boards. From that, Dr. Cohen proposed motions to resolve ambiguities. The approved bylaw revisions are:

Definition of membership of the Senior Academy

- Life members of the Senior Academy are those who have paid a life membership or those who have paid seven years of annual membership.
- Annual members of the Senior Academy are those who have paid annual dues.
- The sum of the above two categories will be reported on June 30 each year as “number of members of the Senior Academy.” First year retirees will not be included in this total.
- First-year IUPUI retirees will receive one year free membership of the Senior Academy

Policy regarding emails to members and potential members of the Senior Academy

- Relevant E mails will be sent to all life members and all annual members, unless they have asked not to be sent email.
- Mailed invitations to new retirees to become an annual or life member the senior academy will cease three years after their retirement if they have not yet joined the senior academy.
- Annual members will be removed from the email list after three years of failing to renew their membership.
• Former members and non-member retirees may continue to receive advertising information about Senior Academy activities that are sent to the general public.

Purging of members of the Senior Academy from membership lists

• **Life members:**
  - Members who have asked to be removed
  - Death. The administrative secretary shall have discretion to also remove members with whom it is not possible to establish any contact.

• **Annual Members**
  - Members who have asked to be removed
  - After three years of failing to renew their memberships, annual members will be dropped from the membership list.

Philanthropic Outreach Report

The IUPUI Senior Academy is involved with the IUPUI Campus Campaign and with the IUPUI Campaign for United Way of Central Indiana.

The 2017 United Way Campaign at IUPUI ended in December 2017, having achieved 112.8% of its goal. The total reached was $293,620. At the start of the campaign, Senior Academy members received a letter from the Philanthropic Outreach Chair and the President of the Senior Academy, highlighting the role of the Senior Academy in providing experienced auditors/reviewers to United Way. The final tally showed that the Senior Academy/retirees group donated $33,856. Among all units, the Senior Academy/retirees ranked second in total donations and in total number of donors.

Donations to the IUPUI campus through the Campus Campaign were encouraged at the start of the current campaign in 2016. Senior Academy members were encouraged to give directly to the scholarship funds of the Senior Academy, noting that the Scholarship Office reports that we have 100% retention among the undergraduates who received one of the scholarships from the Senior Academy.

We again encourage members to consider gifts to these accounts, which are listed below:

- Senior Academy Scholarship for Returning Students (0370007404)
- Senior Academy Scholarship for an IPS Student (0370007405)
- Senior Academy General Scholarships (0370007406)

Activities:

• Christy Tidwell Chaired the committee through December, 2017 and led the Senior Academy offering, “Revive Civility – The Power of My Words”. The event was hosted at Beth-El-Zedeck, and was very successful. Attendance was over 300 and the session received very positive evaluations.

• Committee members met in February to discuss themes for 2018 with a desire to build on reviving civility for this year’s proposal. It was determined a smaller group format that provided interaction among participants was desirable. The title for the 2018 proposal is “Bridging the Divide – Finding Common Ground”. The session will allow participants to examine social and cultural intersections, and engage in crucial conversations with an art project to build a sense of community. Anne and Christy explored partnerships for the event and to date have enlisted, Ebenezer Baptist Church, the College of Education at Butler University, St. Vincent’s Art Therapy Studio, and the Center for Interfaith Cooperation. The event will have three 25 minute sessions were participants will interact with Pastor Shaune Shelby, Professor Susan Adams, and Art Therapist, Joani Rothenberg. Jaime Hinson-Rieger will serve as the session facilitator.

• The 2018 proposal was written and edited by the committee, and submitted for consideration on April 19, 2018.

University Relations Committee Report

The University Relations Committee was reorganized in July 2017 to consist of the President, Vice-President and Past-President of the Senior Academy Executive Board. Quarterly meetings with EVC Kathy Johnson were established. EVC Johnson outlined three campus goals where the Senior Academy could be helpful. These were:

1. Unifying the campus through a shared identity
2. Achieve Research I status
3. Maximize the support that faculty and staff require to advance in rank and into leadership roles.

Discussions revolving around these goals have continued throughout the year, with a special meeting at Kathy’s home where she discussed new campus initiatives with the Board.

In addition, we invited Dr. Jay Gladden, Dean of university College, and Dr. Dominique Galli, Director of the Center for Research and Learning, to share their vision with the Board for undergraduate education and research. Their presentation was detailed and enlightening.
